2011-2012 Membership and Insurance Renewal.

Dear Valued Member,

Please do not ignore this letter.

Thank you for your valued membership of the Fellowship and your vital contribution to healing over the last year. Your healing makes very positive changes to the lives of others, and we are proud of your achievements. Please may we remind you that your annual subscription is now due. Rising costs have been kept to a minimum, resulting in a very slight increase to £29.50 which includes the basic insurance - still exceptional and outstanding value.

The continuation of your insurance cover, and if you are an accredited member, then your Accreditation as a member of an approved healing organisation, also depends upon Immediate renewal, so please act right away.

Yours in Love, Light and Healing,

Gordon

President: FoH.
